N.B.—Should the number of candidates who have applied to be examined at any one of the above centres fall short of *thirty*, the candidates that selected that centre must be prepared to proceed, at their own expense, to the nearest centre where the examination may be held. Timely notice will be given to the candidates concerned.

3. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and no candidate will be allowed to name more than one centre. No candidate will on any account be allowed to change the place of examination entered in his application, which must invariably be the place where he is employed or ordinarily resides, or should it not be a centre, the place nearest to it where the examination is held. A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination annulled.

4. In addition to the above centres, the Commissioner will be prepared to arrange for the holding of the *Written* examination in any of the subjects mentioned at any other place, if he is satisfied that not fewer than *thirty* candidates are likely to offer themselves for examination, and it is advisable to make such place a centre. Applications for the inclusion of such place or places in the list of centres should be made to the Commissioner through the local educational or other authorities concerned before the 20th January. Ordinarily, however, only one place will be constituted a centre for each district.

5. The oral and practical examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

N.B.—*To guard against disappointment in the case of such of the Oral and Practical examinations as may be held before the Written examination candidates are recommended to refer to Part I-B of the* Fort St. George Gazette *from time to time.*

6. Candidates whose examinations, either written or oral and practical, cannot be arranged for at any place must, *at their own expense*, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

7. Heads of institutions are requested to see, before the certificate at the foot of the application is signed by them, that their institution has been recognised by the Director of Public Instruction, Madras, as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their *pupils.*

N.B.—Heads of institutions recognised for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical examinations.

8. All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications) by the head of that institution, no applications of any *private* candidates being enclosed with these applications.

9. Each candidate must, whatever the syllabus requires it, submit, *before the 31st January*, the necessary drawings, plans, surveys, field books, estimates, or other "certified works." Each of the drawings, etc., submitted must have entered on it the name of the candidate, the subject and grade of examination for which he appears and the centre at which he appears, and must be certified to be his own unaided work by the head of the institution or office to which he belongs, by an officer of the Public Works Department not below the rank of Supervisor, by a District Board Engineer, by the Engineer of the Corporation of Madras, or by an Engineer of any Railway Company.

Candidates are specially warned that no certified works will be valued by examiners unless the certificate of authorship is in each case quite satisfactory, and specifies clearly the period of time occupied in the execution of each work and unless the examiners are satisfied as to the identity and qualifications of the persons granting the certificates. Further, if any suspicion attaches to any certified works submitted by pupils from Technical Schools, the Commissioner will be compelled to recommend to the Director of Public Instruction the withdrawal of the departmental privileges enjoyed by the schools. Private candidates, whose certified works are in any way suspected by the examiners, will be liable to have their examination invalidated and also to be debarred from appearing for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit.

It must be particularly noted that the drawings, etc., of each candidate should be submitted in a separate roll for each subject and for each grade (*i.e.*, the drawings, etc., for a number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll. *Also, on the outside of each roll for each subject, each candidate should enter the following particulars in ink* —

(1) Name of candidate,	(4) Grade, and
(2) Place of examination,	(5) Total number of drawings in each roll.
(3) Subject,	

As the application has to be kept in the office and as the drawings, etc., have to be forwarded to the examiners, the application itself should be sent in a *separate cover* and *not rolled up* with the drawings, etc.

A candidate who failed, or having applied, did not appear, at a previous examination, must submit fresh drawings, etc. The drawings, etc., submitted will on no account be returned.

10. Candidates must send in their applications made out in English on *printed forms so that they reach the Commissioner's Office on or before the 31st January, after which date no applications will be received*. Only one form of application should be used by each candidate, although he may bring up several subjects and come up for different grades.

11. Candidates in the mufussal should obtain the required application forms from the Treasury of the taluk in which they are resident or of the district to which they belong. Candidates who are residents of Madras should apply for application forms at the Office of the Commissioner for Government Examinations, Old College, Nungambakkam, and not to the Collector of Madras.

N.B.—No notice will be taken of any application from candidates in the mufussal requesting to be supplied with application forms from this office.

12. The following is the scale of fees to be paid by candidates for admission to the examinations :—

	Elementary	Intermediate.	Advanced
	Rs.	Rs.	Rs.
For each subject	3	5	10

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

13. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras attached to the application, which must in every case reach the Commissioner's Office on or before the 31st January. *On no account will the fees be received in the Commissioner's Office, whether sent in cash or by Post Office orders. No application will be registered unless it reaches the Commissioner's Office by the date prescribed.*

NOTE.—*At Madras, in the case of all pupils, the fee should be collected by the Headmaster and sent in a lump sum to the Bank of Madras together with two lists of the pupils, one of which will be returned by the Bank and the other signed and returned to the Headmaster. This latter list should be forwarded to their office along with the applications of the candidates. The necessary forms for this purpose will be supplied by this office to Headmasters on application.*

14. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, the receipt for the fee paid *being securely fastened to it*.

3. A separate tender must be sent in for each article.

4. Tenders will be opened by the Senior Medical Officer at the General Hospital at the appointed time in the presence of those interested who may choose to attend.

Each tender must contain not only the rates, but the total value of each item of supply entered in a separate column, the items in which must be totalled up showing the aggregate value of each entire tender.

6. Each tender must be accompanied by a deposit (in Government promissory-notes or Bank receipts) as earnest-money of the amount noted against each article. In default of such deposit the tender will be rejected, nor will any tender be received after the time fixed for the opening of tenders. *No cash will be received.* This deposit will be returned to unsuccessful tenderers immediately and to the others as soon as they have lodged the security mentioned in paragraph 8.

7. No person making a tender shall be allowed to withdraw his tender for the space of thirty days from the date thereof, and, in the event of his so doing, his deposit shall be forfeited to Government.

12. The contract must not be sublet. The contractor's security will be returned to him immediately on completion of his contract.

13. The Senior Medical Officer reserves to himself the right to decline or accept the tender for any one or more of the articles tendered for by the successful tenderer without assigning any reason for so doing.

14. The Senior Medical Officer also reserves to himself the right of rejecting tenders without assigning any reason for so doing.

15. The successful competitor will be required to pay the value of the proper stamp duty on the contract.

16. Government promissory-notes lodged as earnest-money or security deposit for a period of twelve months or less *shall not be endorsed over to the Senior Medical Officer, but shall remain in the name*

of the depositor. Government will appropriate or cancel the notes as per G.O. No. 2353, dated 1st March 1880, authority to that effect being duly entered in the contract or other document executed by the depositor.

17. With reference to the stipulations contained in the preceding paragraph, No. 16, the tenderer should attach a certificate to his schedule or schedules to the following effect:—

"*I, the tenderer, agree to have the earnest-money if in Government promissory-notes or Bank receipts, confiscated to Government in case of my failure to undertake the contract.*"

18. No articles shall be supplied to the hospital except on authority signed by the Senior Medical Officer or by some responsible person authorised by him in writing to do so.
